J) Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA)

With reference to the financial assistance/credit facility in the form of BOBCARD One co-branded Credit Card being availed by me on the date hereof issued by BOBCARD Ltd ("BOBCARD"), I hereby confirm having understood the concepts and illustrative examples (as detailed below) relating to due dates, classification of borrower accounts as Special Mention Account ("SMA") or Non Performing Asset ("NPA") in the course of the conduct of the accounts.

Concepts / clarifications / Illustrative examples on due dates and specification of SMA / NPA classification dates.

Dues: Dues mean, the principal / interest / any charges levied on the loan account which are payable within the period stipulated as per the terms of sanction of the credit facility.

Overdue: Overdue mean, the principal / interest / any charges levied on the loan account which are payable but have not been paid within the period stipulated as per the terms of sanction of the credit facility. In other words, any amount due to the Bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the Bank.

BOBCARD will recognize the incipient stress in loan accounts, immediately on default, by classifying them as SMA. The basis of classification of SMA category shall be as follows:

LOANS IN THE NATURE OF TERM LOANS/CREDIT CARD	
SMA categories	Sub- Basis for classification = Principal or interest payment or any other amount wholly or partly overdue

SMA-0	Up to 30 days
SMA-1	More than 30 days and up to 60 days
SMA-2	More than 60 days and up to 90 days
