Caution on Official Contact Information

Updated on 19 March 2025

This document sets forth caution to be exercised by users or customers regarding official contact information of FPL Technologies Private Limited and its affiliates ("**Company**") that manages and operates mobile application 'OneCard'. To ensure the security of personal and financial information of user or customer, it is strongly recommended that the user or customer rely solely on the contact details provided on the 'OneCard' mobile application and/or https://www.getonecard.app/ for all Company's services-related matters. If a user or customer contacts the Company through any unauthorised mode of communication other than the ones mentioned above, the Company will not be responsible or liable for any issues, misleading information, scams or fraudulent activities that may occur due to the same.
